## East Lothian Antiquarian & Field Naturalists' Society

**Return visit to Papple Steading on Wednesday 22<sup>nd</sup> July at  
10.30 AM**

Papple Steading © Alix McIntosh Photography

The Society is very pleased to be able to offer Members an opportunity for a return visit to Papple Steading on Wednesday 22<sup>nd</sup> July at 10.30AM

### **Papple Steading**

The Society has enthusiastically supported the amazing rescue of one of Scotland's finest farm steadings. So we are delighted to have been invited for a return visit by the owner and visionary George Mackintosh after the project's formal opening.

### **Visit summary**

To begin with Members will enjoy teas, coffees and cake followed by a presentation from George Mackintosh on Papple's restoration journey. This will be followed by an opportunity to explore the buildings including those showing agricultural heritage and the Demarco Gallery. Finally there will be an optional opportunity to visit the Wildflower Meadow which is close by. Transport assistance to the Meadow will be available if required.

Booking is required by making contact with Elaine Whewell at [info@eastlothianantiquarians.org.uk](mailto:info@eastlothianantiquarians.org.uk)
